

LET'S BOWL!!

Ladies At The Lanes

MWC is initiating a once a month bowling group, the first Tuesday of each month from 10:30 AM to 12:00 noon at The Lanes in Mashpee Commons. Because there is already a women's league at that time, we are getting an incredibly good deal. We can bowl with the other ladies or keep to ourselves whichever suites us and depending upon the size of our group. No prior experience or expertize is required – this is strictly for fun! And perhaps we can pick up some new members for the MWC from the women's group already in place!

The cost is \$11 p/p which includes:
2 games of bowling; shoe rental; a light snack chosen by chef of the day.

The first date is Tuesday, November 7. The December date is Tuesday, December 5.
