

Making Grocery Store Flowers Look Like Professional Arrangements

Do you love fresh flowers but don't know how to make that lovely bouquet from the grocery store look and last? Join the Mashpee Women's Club as Yvette Shakespeare demonstrates where to buy fresh flowers, how to arrange them, and how to make them last longer. Yvette was a floral designer with the Museum of Fine Arts from 2008-2020. She received a Floral Design Achievement Award from the Garden Club of America for "excellence in floral design and a willingness to share those talents with others". She has traveled throughout New England conducting floral design workshops and demonstrations.
